## Student Council Begins Searching Activity Probe

Public Hearings to Continue  
Tomorrow, Thursday, of  
This Week

### EDITORS TAKE STAND

McCoy, Rhinehart, Madigan  
Testify in Two-hour Quiz  
of Publications

Continuing its efforts to work out a program of unified student activities, the Student Council will resume hearings on tomorrow and Thursday nights of this week in Corcoran Hall 27.

President Elton Billings invites any student, faculty member or alumnus, who so desires, to appear before the Council and offer criticism and suggestions. He requests that anyone wishing to appear notify some member of the Council before the date he wishes to testify.

While no definite conclusions have been reached by the Council as a result of these hearings, President Billings states that he is pleased with the cooperation of the students heard on Wednesday and Thursday of last week and believes that the suggestions offered will prove helpful to the Council in its efforts to coordinate campus activities.

On Wednesday night the Women's Athletic Association, the Freshman System, and Business Management of The Hatchet were reviewed by the Council.

Grace Hale, president of W. A. A., gave in detail the set-up of Women's athletics in the University. While she said that she "believed the present system a good one, she would favor cooperation between the Council and W. A. A. with a representative of women's athletics a member of the Council."

**Floyd Expresses Views**  
Bourke Floyd expressed dissatisfaction with the outcome of this year's attempt to institute a freshman system. He recommended, however, that some definite system be finally worked out by adding to the system from year to year. Lester Gates, business manager of The Hatchet, said that "cooperation of the various activities on the campus is an urgent need of the University at this time and would naturally be of consequence to the business department of The Hatchet."

On Thursday the editors of the Cher-

(Continued on Page 5)

## Plans for Annual Spring Play Begun

Two Committees Appointed  
by Cue and Curtain as  
Initial Step

Cue and Curtain appointed two committees last Wednesday evening as its initial step toward the presentation of its annual spring dramatic production. One of these committees will select the play to be used; the other is to make arrangements for a suitable theater.

The club decided, tentatively, to give a comedy in modern dress, if one could be found that was suitable to the production demand of Cue and Curtain. Royal A. Gunnison was appointed chairman of the play-reading committee. A partial report is expected from him at the next meeting on Wednesday.

As in the past, the production will be staged in the Wardman Park Theater if business contacts by Carl Gay prove successful. A new scale of prices is being considered by the organization in an effort to regain the interest of the student body.

Additional information regarding the selection of the play, admission fees, and other important details will appear in forthcoming issues of The Hatchet. It is expected that tryouts for parts can be held probably within the next three weeks.

The reorganization of the club will be completed Wednesday evening at 8 p. m. in W-33. All members are requested to be present.

## Mens' Debate Team Clashes With W. & L.

The Washington and Lee University men's debate squad will meet the George Washington team here on Thursday, February 23, debating the question: "Resolved, That the United States Should Adopt the British System of Radio Control."

Wilburn West and Philip Merryman will uphold the negative side for George Washington. The judges for the contest are yet to be selected.

## Saturday, February 18, Deadline Set For Photographs by "Cherry Tree"

Casson Studio Will Remain Open Thursday and Saturday  
from 8 to 10 P. M. in Order to Facilitate  
Last-minute Rush

Saturday, February 18, is absolutely the last day that a picture may be made for the 1933 Cherry Tree, according to Wendell H. Bain, business manager.

After more than four months of intensive work, the mammoth job of photographing all the seniors, members of fraternities, sororities, clubs, as well as the many groups, both academic and athletic, will be brought to a close at 10 p. m. Saturday.

In order to facilitate the work this week the Casson Studio will be open tonight, Thursday and Saturday, from 8 to 10 p. m., in addition to their regular daily hours of 9:30 a. m. to 5 p. m. "Designed along the most modern lines, this year's annual will be one of the most brilliant ever produced at this University," Bain said. "Carefully planned in both layout and makeup, the Cherry Tree will be a real memoir of college life and a treasure that every student will be proud to own."

The annual, which will again sell for four dollars, must be subscribed for in advance, as only enough copies will be ordered to cover this advance sale. All

WENDELL H. BAIN

subscriptions must be received at the Publications Office, 2016 H street northwest, not later than March 1.

## Junior Prom Late In May Favorably Reported to Class

Ballots Will Be Circulated to  
Aid Committee in Develop-  
ing Plans

A junior prom to take place during the latter part of May has been favorably passed upon by members of the junior class present at a meeting on February 9.

In order to assure the success of this prom, the social committee, headed by Grant Van Demark, will circulate ballots among the juniors to determine whether the class at large will support such an undertaking. A ballot is also to be found on page 3 of this issue of The Hatchet.

The results of this ballot will aid the committee in developing its plans for the dance. "It will be impossible to give a prom unless all members of the class cooperate," Joseph Danzansky, president of the class, stated yesterday. "I wish to urge particularly the benefit that a member of the class may get from these dues. The dues, which will not be great, will include a ticket to the prom and in all probability to the senior prom as well if their plans are perfected. It is the custom in many universities for the seniors to be guests at the Junior Prom and the seniors are in turn hosts to the juniors at the Senior Prom. This arrangement I believe is possible at George Washington."

Compulsory dues are necessary if the class is to carry on. The students also will be requested to vote on this question.

Officers for the current year were installed by Provost William Allen Wilbur at the meeting. The officers are: Joseph Danzansky, president; Harriet Atwell, vice president; Virginia Hawkins, secretary; and Bernard Fagleson, treasurer.

The social committee, under the leadership of Grant Van Demark includes Leah McArthur, Beatrice Hegg, and Janet Young. John G. Barbers is the chairman of the Good and Welfare committee and has the aid of Louise Cox.

## Foreign Service Frat Initiates 11 Neophytes

Marian Boyle, Mary Cook, Josephine de Roman, Virginia Lee Dillman, Florence Hedges, Helen H. Jones, Francesa Martin, Naomi Myers, Platonis Pappas, Mary Louise Parks, and Katherine Sandberg were initiated into Phi Pi Epsilon, women's foreign service fraternity, last Tuesday evening.

Following the initiation ceremonies, Mildred Burnham, founder of the organization, talked to the new initiates and discussed plans for an international house.

## Mrs. Earl Baldwin McKinley To Entertain Faculty Women

The Faculty Newcomers' Group of The George Washington University will meet at the home of Mrs. Earl Baldwin McKinley, Wardman Park Hotel, on Tuesday afternoon, February 21, at 2:30.

Mrs. McKinley will also be the speaker on this occasion. The title of her subject is "Gullion, the Island of Hope."

## Bennett C. Clark Plans to Address Forensic Banquet

University Alumnus Will Address  
Annual Speakers' Congress Banquet Friday

Bennett Champ Clark, senator from Missouri, son of the famous Speaker of the House and a George Washington University alumnus, will make the chief address at the Speakers' Congress banquet at the Club Michel on Friday, February 17.

The banquet, with Dennis Connell as toastmaster, will close a successful season for the congress under the leadership of Eddie Northrup and will also serve to inaugurate the new administration. The banquet proper will be held in the Club Chanticleer room, and guests will have the privilege of dancing at the Michel.

Senator-elect Clark, Democrat, L. L. B., and graduate of the Class of 1914, will be accompanied on the program of speeches by Eddie Northrup, retiring, and Clara Critchfield, the new speaker. Members may obtain invitations by communicating with Gilbert Linville, Grant Van Demark, Fred Jess or Clara Critchfield. This must be done by Wednesday evening, February 15.

## Frederick Bullard Wins Frosh Election

Margin of Victor Is, But 11  
Votes as Special Election  
Draws Interest

In an election marked by heavy balloting and party line-ups, Frederick H. Bullard won the presidency of the freshman class by the margin of 11 votes over the nearest of his four opponents. The election was held in connection with the freshman orientation meetings on Friday evening and Saturday morning.

The special election was called at this time by Jack Jones, vice president of the class, to fill the vacancy caused by the resignation of Karl Dieffenbach, who is not in school this semester. President Bullard, when informed of his election, stated that he intended to work for closer cooperation between the morning and evening sections of the class. He intends to appoint activity, social and publicity committees this week.

The first function of the social committee will be to formulate plans for a "Frosh Hop."

## Important Cherry Tree Information

1. Photographic deadline—Saturday, February 18, at 10 p. m.
2. All pictures must be made at the Casson Studio, 1333 Connecticut avenue, Decatur 1333. Hours: Daily, 9:30 a. m. to 5 p. m.; Tuesday, Thursday and Saturday evenings, 8 to 10 p. m.
3. All seniors, whether graduating in February, June or next October, will appear in this year's annual.
4. Senior information cards must be filed immediately at the Publications Office, 1st floor, Building T, 2016 H street northwest.
5. Deadline for subscriptions March 1. Mail in a check for \$4 accompanied by the form on page 4, or pay in cash at the Publications Office.

## University Will Not Cut Teachers' Pay, Trustees Announce

Board Expresses Its Appreciation  
of Services of Staff  
Members

Following a report by President Marvin on the financial condition of George Washington University, to the February meeting of the board of trustees, a resolution was adopted by the board announcing a policy of non-reduction of salaries of members of the staff.

The resolution is as follows:

"BE IT RESOLVED, That the board of trustees of The George Washington University reaffirm its expression of appreciation of the proficient service of the members of the University staff during these latter years and with special reference to the fine morale maintained during these difficult days of social and economic adjustment; and further

"BE IT RESOLVED, That the board as a means of expressing its appreciation to the staff announces at this time that it is making no salary reductions during the current year unless emergencies arise that are now unforeseen."

The board also approved the granting of sabbatical leave for the academic year, 1933-34 to Dr. Walter Lynn Cheney, professor of physics; Dr. Fred August Moss, professor of psychology; and Dr. John Albert Tillema, associate professor of political science.

The board of trustees granted the rank of professor emeritus to Dr. Huron W. Lawson, who served as a member of the medical faculty from 1903 until his retirement last September.

The scholarship granted by the University for award at the Citizens Military Training Camp will be continued for a period of five years.

## O. D. K. Sponsors Frosh Instruction

Directors of Major Campus  
Activities Urge Participa-  
tion in Activities

Omicron Delta Kappa, national honorary activities fraternity, sponsored a series of short talks before freshmen rhetoric classes Friday and Saturday, February 10 and 11, at which time leaders and directors of major campus activities discussed the various organizations under their supervision.

The organizations represented were the Student Council, the athletic department, The Hatchet, The Cherry Tree, the Glee Clubs, Troubadours, Cue and Curtain, debating societies, Interfraternity Council, and the Band.

These groups were chosen as representative of organizations on the campus. More of these organizations could not be discussed at the meeting due to the lack of time. Not much stress was laid on women's activities because it was felt that freshmen women were reached through freshman assemblies.

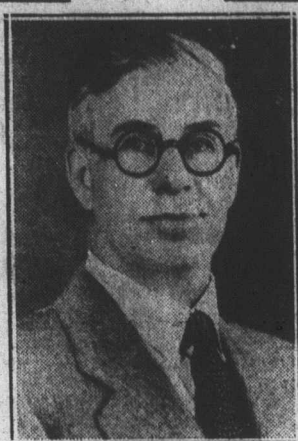

The purpose of these talks was to assist new students to orient themselves and to acquaint them with some of the opportunities offered by the various activities on the campus.

## Engineers to Complete Plans For Annual Spring Banquet

Following the completion of preliminary plans for the Engineers' banquet the Engineers' Council will call a general meeting of Engineering students within the next three weeks. Plans were discussed at the meeting held Thursday evening, February 9, in K-12. The banquet, which will be held in March or April, is an annual affair that ranks with the Engineers' Ball as a social event.

F. M. Grimes and J. A. Crocker, council representatives of the newly formed George Washington chapter of the American Institute of Electrical Engineers, were welcomed by the organization at this meeting.

## Will Speak

DR. WALTER PALMER

## Dr. Walter Palmer Addresses Medics At Annual Banquet

Local Medical Group to Hear  
Columbia Professor Satur-  
day at Mayflower

Dr. Walter W. Palmer, professor of Medical Practice at Columbia University, will be the principal speaker at the annual banquet of The George Washington University Medical Society, Saturday, February 18, in the main ballroom of the Mayflower Hotel.

An eminent physician, Dr. Palmer is widely known for his research work in the field of metabolism. From 200 to 300 graduates of the medical school are expected to hear an address.

Distinguished Guests Present

With Dr. John A. Reid, president of the society, presiding, the following will be seated at the speaker's table:

Dr. Cloyd Heck Marvin, president of The George Washington University; Mr. Clarence A. Aspinwall and Mrs. Joshua Evans, Jr., of the Board of Trustees; Dr. Earl Baldwin McKinley, dean of the School of Medicine; Dr. J. M. H. Roland, dean of the University of Maryland School of Medicine; Dr. Allen Chesney, dean of the Johns Hopkins University School of Medicine; Dr. William Gerry Morgan, dean of the Georgetown University Medical School; Capt. Joel T. Boone, physician to the White House; Surgeon General Hugh S. Cummings, of the United States Public Health Service; Surgeon General C. E. Riggs, of the United States Navy; Surgeon General Robert U. Patterson, of the United States Army; Honorable Robert M. LaFollette, senator from Wisconsin; Dr. Luther H. Reichelderfer.

(Continued on Page 5)

## First Tenors Wanted By Men's Glee Club; Faces Busy Schedule

Resuming the program interrupted by the mid-winter recess, the men's glee club faces a busy schedule of rehearsals and engagements.

Accompanied by the women's club, the men will sing at the banquet of the George Washington University Medical Society, to be held at the Mayflower Hotel on Saturday, February 18. Within the next month, the men's club will also sing at two state society balls and at All Souls' Unitarian Church.

About a dozen new songs have been taken up, and are being rapidly whittled into shape. Coupled with the songs held over from last year, these numbers will give the club an extensive repertoire.

Dr. Robert H. Harmon, director, announces that although the club is now a well-balanced unit, he is desirous of securing a few freshman or sophomore first tenors who can receive training for the clubs of future years. Candidates may appear for tryouts at the club's rehearsals, which are held on Tuesdays and Thursdays in W-29, at 7:30 p. m.

## New Officer Picked By Gamma Eta Zeta

Harriet Atwell was elected vice president of Gamma Eta Zeta, honorary journalistic society for women, at a meeting on Thursday, February 9. She takes the place of Edith Brookhart, who has left school.

Permission having been secured for the issue, definite plans were made for "The Petriest," which will be distributed at the annual Panhellenic Prom.

## Critchfield Heads National Panhel Congress for 1934

George Washington to Be Host  
to Urban University Sorority  
Women Next Year

### LINKINS VICE PRESIDENT

Elections Conclude Two-day  
Conference of Delegates  
From 16 Universities

Clara Critchfield and Louise Linkins, delegates from George Washington University, were elected president and secretary-treasurer, respectively, of the Intercollegiate Panhellenic Conference of Urban Universities at the sixth annual convention held last Friday and Saturday at Syracuse, N. Y. George Washington University was selected by the convention as the hostess college for the 1934 meeting.

Election of the George Washington University women concluded a two-day conference of Panhellenic delegates from 16 universities of the United States and Canada.

The conference opened Friday morning with a business meeting followed by round table discussions. These were continued Friday afternoon and Saturday. Adjustment of dues during the depression, ways of improving scholarship, relation between sorority and non-sorority women and plans for rushing in urban universities were some of the topics discussed.

As the final event, a banquet was given the delegates by the Syracuse Panhellenic Association, at which the newly elected officers were formally introduced. Amy Burnham Onken, Pi Beta Phi, spoke for the national Panhellenic Congress. Other speakers were Dr. Karl Leebick, dean of the Liberal Arts College of Syracuse University, and Florence Partridge, assistant dean of women of Syracuse University.

Plans for the 1934 convention were under the supervision of Miss Critchfield, Miss Linkins and the local Panhellenic association. The meeting will probably not be until spring of 1934. Under the custom of rotation of offices

(Continued on Page 5)

## Drama Club Holds Tryouts Tomorrow

Three-One-act Plays Are to Be  
Produced by Apprecia-  
tion Group

Try-outs for parts in the one-act plays to be given by the Drama Appreciation Club will be held in Room 21 of Lambie House tomorrow evening at 7:30. Any student interested in dramatic art is eligible to try out. Manuscripts may be obtained in the office of Mrs. Vinnie G. Barrows, director of women's personnel guidance.

The plays, "Will o' the Wisp," "The Passing of Chow-Chow," and "In the Darkness," will be directed by Mrs. George Romney, prominent Washington dramatist.

The Drama Appreciation Club particularly urges those not already initiated into dramatic circles at George Washington to compete for parts.

## Annual Mid-Winter Convocation Will Be Held February 22

The mid-winter Convocation of The George Washington University will be held on Wednesday, February 22, at 8 p. m., in Constitution Hall.

At this time degrees will be conferred in all divisions of the University. Candidates for degrees will receive letters from the Registrar's Office this week informing them of the number of invitations and tickets available, where and when they may be secured, and giving other necessary information.

The complete program of the Convocation has not yet been announced.

## Alan Stockdale to Speak on Opportunities of the Church

"Vocational Opportunities Within the Church," will be the subject of a speech to be given by Alan A. Stockdale, D. D., pastor of the First Congregational Church, on Friday, at 8 p. m., in the assembly hall of the Y. M. C. A., 1736 G street northwest.

Dr. Stockdale's talk will be the seventh in a series of lectures on vocational guidance held under the chairmanship of Dr. J. Orin Powers, associate professor of education here. One of these lectures is presented every Friday at the same time by a distinguished authority on the subject with which he or she deals. The general public is invited.

## It Is Time to Get Busy On the All-University Carnival

We had some pretty warm days last week. It won't be long until the balmy days of spring will be here again. All of which reminds us of the annual All-University Carnival. Now is the time to think of it. The Carnival last year was a big success considering that it was a hurry-up job. It can be much bigger and better this year but only if adequate preparation is made in plenty of time to insure participation of all organizations on campus. Better get busy right away!

## Cue and Curtain Will Do Well To Cut the Price of Its Next Offering

Cue and Curtain is announcing the naming of its play-reading committee with a view toward selecting a vehicle for the spring performance. Some mention was made of a prospective change in the scale of prices. May we congratulate the dramatists on this forward step?

Both Cue and Curtain and the Troubadours failed to take cognizance of the depression last fall and as a result there were many empty seats at the performance of both.

Cue and Curtain merits the hearty cooperation of the student body and we believe that if the price of seats is scaled downward and another night or two of performance added the result would be financially beneficial to the organization. Why not try it out?

## If You Have Any Suggestions, Now Is the Time to Make Them.

Congratulations to the Student Council. It is off on the right foot, and much good may develop from the open forum hearings now being carried on in Corcoran Hall 27. To date there has been little agreement. This proves that there is some interest in the subjects under discussion and that those interested are seeking a way out.

We would warn the council members and the other participants in the discussion to keep their attention and their activities restricted to those problems which come within their province and are thus in their power to solve.

The Hatchet suggests that all organizations and their members who think they have a legitimate bone to pick with the Student Council do so at this time or make up their minds to abide by the decisions of the council which are handed down according to information received from organizations whose interests are enough alive to cause their attendance at these meetings. In other words, don't be an "I told you so" if what the council does as result of these meetings, which you failed to attend, does not please you. Now is the time to have your say.

## Let Us Have Music From the Band At More of the University Functions

We have always favored the University Band. It has had a rapid and gratifying growth. Its existence in the University has lent much to the prestige of the University and its potentialities have hardly been touched. But we haven't seen much of it lately. To our knowledge only two basketball games have been attended by the band. Several other opportunities were passed up. The Hatchet wonders why.

We feel that the entire student body has co-operated with the University Band to an extent that is not to be questioned and we feel further that while we are proud of our band, we have a right to question their activity or lack of activity. Let's have more music at more places and thereby build more good-will for an organization that has proved itself to be outstanding in our midst.

## A Good Frosh-Soph Game Would Not Be Amiss at This Time

What happened to the freshman-sophomore game? The Hatchet understood that the freshmen were participating in a strenuous campaign of training. Can it be possible that the sophomore organization, headed by the highly touted vigilance committee, failed to come through in its challenge to the first year men? The Hatchet believes that the class of 1936 has much to offer in the way of real George Washington spirit. We believe that such spirit will not be dampened by any lackadaisical attitude on the part of the sophomores. Why not get together and put on a real inter-class battle—either football, tug of war, or any other medium that offers an outlet for class braggadocio?

## Bouquets and Brickbats

For that French prof who requires absentees to produce notes signed by parents setting forth a legitimate excuse for the absence of a favored son or errant daughter we have nothing but sympathy. . . what ingenuity. . . bouquets to the G. W. romper basket for winning seven out of eight games at the recent triangular basketball Sports Day held at McKinley High School gymnasium. . . (women's teams from Goucher College and American University were guests) . . . the "battleship" and "navy" game idea should prove a valuable substitute for bridge, which seems to rate A-1 with Food Shop habitués. . . (but then there is an objection since the innovation requires the exercise of some amount of brain power, ingenuity, and skill. . . a game of that type can't be popular among "habitués" of any place for long) . . . says Betty Noname, as a column conductor we're "slipping" . . . we've already slipped. . . (that Noname girl knows everything!) . . . we still can't figure out how Bolwell hopes to get "close to people" by ignoring hot-dog stands on his trip across the continent. . . congrats to Dr. Paul Bartsch, who is to receive a Silver Beaver award from the National Boy Scout Council for his "distinguished service to boyhood" . . . and a good idea that of offering student ducats to the Inaugural Ball for the sum of a fin per couple. . . (they are obtainable at the bursar's office) . . . nice idea, too, that of an informal fashion column beginning in this issue of The Hatchet. . . should be an incentive for more and better "self-made" dresses. . . and in view of the fact that 75 out of some 500 colleges and universities radically slashed professors' salaries here's a big bouquet to the Board of Trustees, which passed a resolution advocating NO SALARY REDUCTIONS of faculty members. . . a noble gesture to make for better University instruction. . . the Engineers' Council worms its way into the social spotlight with unusual consistence. . . the latest event is an "Engineers' Banquet" . . . bravo and more power to them. . . a good speech, that of James Brown Scott on International Ethics. . . well attended, too. . . more of such might prove of infinite value. . . good move on the part of the Liberal Club in staging a "conference against war" (Thursday night Corcoran 10) . . . and lest we forget who killed Cock Robin. . . (and who can forget the blood curdling Chittum scream) . . . Cue and Curtain has scored the initial paillyhoo on its spring play. . . what'll it be? . . . here's hoping. . . bouquet to the med society for arrangements on its annual banquet to be held at the Mayflower with Dr. Walter W. Palmer of Columbia as principal speaker. . . the Drama Appreciation Club sounds as though it might have possibilities. . . (try-outs at Lambie House tomorrow night) . . . and how about attending the G. W. Washington and Lee debate Thursday night. . . bouquets for the G. W. basketweavers. . . and the blackboards in the Law School are still unwashed. . . fast work on the part of Bullard, who was declared winner of the Freshman class presidential election. . . this man Bullard is a politician of no mean ability. . . and Betty, we're striving desperately to regain our "grip" . . . but we do differ on the "editorializing" criticism.

ANTON OMASIA.

## CHIPS

Hello! Well! Happy Valentine peoples. Now that the waves of time have swept the shores of what and whatnot, Dick Rollo and his Raspberry Staff return to native haunts and run smack into this item some kind person sent in:

"STUDENT SOCKS COLUMNIST WHO PUBLISHES LOVE NOTE"

It seems that "Al" Klaber, columnist of the University of Wisconsin "Rambler," received the push in the lamp from a girl's boy friend after she sent the same swain the following note which fell foul of Eagle Eye Klaber:

"Eddie Darling:

"I'll be missing you just awfully—be a good pumpkin and be very nice to the boy I love—my Eddie. Take good care of his leg and foot and don't forget to love your pumpkin like she loves you."

"Good night, my darling."

"DE RICCI."

Sympathies and congrats, Al. An item like this is worth a sock in the eye to any columnist—any day. . . Back home now—I see Ford has put his men back to work. Weitzel and Hawkins have been spending their Sunday afternoons looking at houses. . . Little early for that spring come, Win. . . Girls—have you seen Pug Hay in uniform? Just a general at the Earle. . . Leah McArthur tore some of her harness while horsing with (cheers) Walker at the Sigma Chi Rushing Rodeo Party. It was o.k. though, as "Itsy" Schoenfelder's pin repaired the rip. . . By the way—just which sex are the Sigs rushing this semester?

J. Sickler, Grand Dementia Praecox of Nuthouse Nu Fraternity, announces a vacancy as Arch Paranoia, since Dodge's retirement this semester. . . C. M. Fesler, Exalted I. O. U. of Depression Iota-Yu Fraternity may lend him Rhinehart, recently resigned Sig officer, if no money is involved (a little boo to Betty Noname). . . Joan Darby went on a liquid diet when she read the Raspberry crack. And enjoyed herself. . . Chi O has a couple of transfers—well, that's one way of keeping members, as long as the pledges of other chapters can make their grades for initiation. . . Dottie Algire clinches with McKenzie between bouts with the ever-present John, who is learning to take it. Haley's interest in Heller at Sholl's Sunday night resulted in the loss of the Student Council minutes. . . Now what will the Literary Review do? . . . Anchors Aweigh! Nance Hall has discarded her Annapolis miniature in favor of Mel Law's Sigma Chi pin. . . At the recent Student Council quiz, the Panhel representative was paged and found missing, when the coy Niess injected a laugh by suddenly announcing, "There sits Bain," on sighting the bashful Wendell. . . McCarver is back at his old tricks—Fick, Spiggy, and etc.—Just list him as one of the ones who failed to tear Marie McCammon from her true spouse, a big Army-einder padder up in New York. . . Now that Hour Glass has elected its elite, Evelyn Kerr has retired from her Hatchet endeavors. . . Maybe it's rheumatism. . . Dille started winding up for the Petticoat Sunday night (which will be published by courtesy of the Raspberry, of course). . . Betty Rollo tells us, "Hawkins missed the Gamma Eta Zeta vice presidency by one vote at the last meeting, since Iverson came too late to vote and Betty Coon was absent." . . Maybe Virginia will have better luck next time. . . It was Eagle Eye Bain who thwarted Betty Reynolds' efforts to play hostess to Sigma Nu at the Panhel dance via the old "pass out check" racket. . . senior senility, perhaps. . . After the Delta Zetas held that cootie party it would have been advisable to join the Alpha Mu Sigma's splash social—pediculous, eh? . . . "I paid," smirked Dart O'Keefe, the Food Shop dandy who lives at the Mayflower. . . Resplendent in tails and "pass out check" in hand he gave the coldest of the season's cold shoulders to three erstwhile plebian friends who were trying in their own small way to crash the Bal Boheme. . . We are authorized to make the following Valentine exchanges (at least we feel we are)—Dan Beattie to Constance Connor Brown, a black cat on a high board fence, a bleeding heart—Helen Sherley to Food Shop dietician, Miss Holt, I am still eating—Gordon Potter to George Wells, be my darling—Scottie Giffen to Ann Nelson, still asleep on the job—Doris Skinner from Hazen Shea, sugar is sweet and so are you, but sugar's refined—Shorty to the "folks," with a bow-wow here and a mu-mu there—From Betty O'Brien to Bob Savage, heart-shaped sandwiches on rubber plates—Dike to Edwina, mush and muscles—Forget-me-nots Harrington, Burnham, Beall, and the rest who have gone down the valley, thank gawd—Raspberry to the Petticoat, a key to the Chi Omega rooms—Wendell Bain to Jacques Renard (it looks fishy to us) just an orchid, my dear—Dick Rollo to Betty No-Name, lover come back to me—Hey, Betty, send an addressed STAMPED envelope for The Hatchet exam. . . I also hold a personal invitation to you from Gamma Eta Zeta to contribute to the Petticoat, which can't be very exposing at the most, as it's still a Petticoat.

How about a no-corsage campaign, ladies, for the Panhel Prom? . . . A little cheer and pleasant dreams. Au revoir, Utasny.

DICK ROLLO.

## NOTES ON COLLEGIATE ACTIVITIES

### Columbian Women to Hear Writers at Next Meeting

The literary section of the Columbian Women will meet at Lambie House today at 4:30 p. m. A program has been arranged which will include the presentation of the works of some of the members of the literary section. Bertha Frances Wolfe will read one of her short stories, and Estelle Drane will recite one of her poems.

### Bacteria Toxins Subject of Discussion Thursday

Dr. Stanhope Bayne-Jones, professor of bacteriology of the Yale University Medical School and chairman of the medical division of the National Research Council, will present an unusual discussion of "bacterial toxins" at 11 a. m., Thursday, February 23, in the George Washington University Medical School Building, as one of a series of lectures under the auspices of the Smith-Reed-Russell Honor Medical Society.

### Alpha Pi Epsilon Hears Dr. Joseph Murphy

"Health Inspection in the Public Schools" was discussed by Dr. Joseph Murphy, chief medical inspector of the District of Columbia Health Department, before a joint meeting last Wednesday of Alpha Pi Epsilon, honorary home economics sorority, and the nutrition section of the District Home Economics Association.

### Harry Frantz Will Talk On International Ethics

Stressing the standard of conduct between nations and the press in regard to international affairs, an explanation of the mechanism of international communication, and a resume of international ethics, Mr. Harry Frantz will lecture on "The Press and International Relations" before the International Relations Club Wednesday evening at 8 o'clock at the home of Prof. William Crane Johnstone.

As a member of the United Press, formerly in charge of cablegrams from the United States to the Philippines,

South America and the Far East, and having spent much time in foreign countries, Mr. Frantz is considered an authority on international relations and a foreign correspondent of world repute.

The open forum discussion which will follow the speech of the evening is expected to be an interesting part of the program due to the information Mr. Frantz will be able to give on questions pertaining to the Manchurian affair and the Far East.

### Italian Garden Subject Of Croizat's Lecture

"An Illustrated Lecture on the Italian Historical Gardens," was the subject of an address delivered by Dr. Eugenio Croizat before the International Art Forum on Saturday, February 11. Dr. Croizat's talk was illustrated by many beautifully colored slides showing the various well-known gardens of Italy in their natural colors. He considered mainly the history and development of the various type of gardens.

Announcement was made of special membership rates for University students. Anyone interested in joining the group or attending individual lectures may address the International Art Forum at Stoneleigh Courts or call District 6328.

### Bertha Frances Wolfe Will Address Alpha Pi Epsilon

One of Columbian Women's distinguished members, Miss Bertha Frances Wolfe, will be the guest speaker of Alpha Pi Epsilon, honorary home economics sorority, at their regular meeting on Wednesday, February 15. Miss Wolfe will talk on "Parliamentary Law." The meeting will be in Building C, at 7 p. m.

### Christian Science Group Hears Syme, Hitchcock

"The Simplicity of Christian Science and Its Demonstration," by Miss Jane Grey Syme, C. S., and "The True Idea of Success and Progress," by Mr. Arthur L. Hitchcock, C. S. B., were the topics discussed at the reception held for students and faculty members by

## Professor White's New Book Praised

Professor William A. White, professor of psychiatry, this week received favorable review of his recent book, "Crimes and Criminals," in the Book Review section of the Washington Star.

The review in part is as follows:

"Dr. White has been a psychiatrist for 40 years, much of that time recognized as a leader in his field, and has for nearly 30 years been in charge of St. Elizabeth's. He is now president of the International Committee on Mental Hygiene and professor of nervous and mental diseases in connection with both The George Washington University and the Naval Medical School.

"The present book starts with a discussion of 'The Structure and Function of the Mind in Relation to Criminal Conduct.' . . . This chapter is intensely interesting, even for the layman. . . Dr. White does not give to heredity the all-important place in determining physical and mental characteristics which it has held and still holds in the theories of some scientists. . . The major emotions of human beings are described as love, hate and guilt."

Among Dr. White's other works are: "Forty Years of American Psychiatry," "Essays in Psychopathology," "Insanity and the Criminal Law," "Thoughts of a Psychiatrist on the War and After," "Mental Hygiene of Childhood" and "Principles of Mental Hygiene."

The book is published by Farrar & Rinehart, New York City.

## THE BOOK OF THE MOMENT

"ANN VICKERS," by Sinclair Lewis, portrays the modern American woman, who in the last 30 years has lived a century in the history of women.

Paul Pearlman  
1711 G STREET N. W.

## New LUNCHES 25c 30c

Choice of meat, two vegetables, bread, butter, beverage. Soup or cocktail may be substituted for one vegetable. 25c

Choice of meat, one vegetable, large salad or dessert, bread, butter, beverage. 30c

## THE FOOD SHOP

20TH & G STREETS  
SERVICE 7:30 A. M. TO 7:30 P. M.

## The Quigley Habit is a Pleasant Habit

Sandwiches ready to serve, hot chocolate and coffee, refreshing cokes, cheerful service.

Perhaps these, even as much as the friends you meet there, contribute enjoyment to the daily call at Quigley's.

## Quigley's

Pharmacy

You are always welcome.

## WIN \$10 WE WANT A NAME

We want a name, attractive to students, for a new coffee shop one block from George Washington. First prize, \$10 in gold; second prize, one \$5 meal ticket. Submit your entry by midnight Friday, February 17. Use the following black. Drop it in a Hatchet box or mail to 832 20th Street, N. W. Watch next week's Hatchet for announcement of winners and opening date of the new, modern.

## COFFEE SHOPPE

to be operated by G. W. students for G. W. Students

Proposed Name

Your Name

## Members of Symphony Club Aid Ticket Sale for Concert

The Symphony Club is sponsoring the sale of tickets for the concert to be offered by the Philadelphia Symphony Orchestra on February 23. Tickets can be obtained from the members or from Miss Dickerman in Lambie House.

# SPORT

By

By JOHN BUSICK

We note with satisfaction the recent marked improvement in the basketball team. At present the season's record shows 11 victories in 15 games. But five of these have been in the last 10 days with the Colonials averaging 58 points per game as compared with a 21.4 average for the opposition. Howell has made the fans almost forget Parrack. Otts Zahn seems to get smoother with each game. He was described by Press Agent Jack Espey as "the ideal type of player for any coach"—and rightly so. We eagerly await New York writers' opinions after C. C. N. Y. game.

A glance at basketball practice shows things the fans never know: Spirited battle between Ty Hertzler and Bill Noonan for the center job, with the former still getting the call. Real fight for the position which delights onlookers and the other players. Occasional verbal contests with each man's backer shouting encouragement. Lee Carlin always leads the scorers in scrimmage. Some day he'll break loose in a game and surprise everybody. The second team often wins the scrimmage battles and always does better than some of the opposition we've had this year.

Notes on football opponents for next year: Washington and Jefferson—17 griders to continue on football scholarships after mid-term exams; 10 cut; 3 furloughed. The Prexies are still talking about their famous team of 12 years ago. Coached by the famous "Andy" Smith they went through an undefeated season and tied California, 0-0, in the Rose Bowl in a sea of mud. Their famous tackle, Russ Stein, all-American, scored four touchdowns in a single game in 1920 against West Virginia, which were the only tallies his team made. Their football team dates back to 1890. Tennessee—Talk of spring practice. Aiken, Van Rayburn, and Robinson, stars of last year, are to help Major Bob Neyland tutor his men in the spring session. Neyland's big job and theirs will be to fill the vacancies left when these three stars graduate in June, particularly the hole left by Aiken's absence. He was one of the South's finest tackles last season.

HERE AND THERE: Mark Shaughnessy, of Loyola, New Orleans, has been named to the vacant Chicago U. post. Jim Pixlee was mentioned prominently for the job. But we're mighty glad to be absolutely sure that the "Possum" will continue here for at least another year. The Frosh-Emerson prelim on Saturday night made the main attraction look tame. Three extra periods and the Cubs finally managed to garner the long end of the count. A total of 34 fouls called on both quints in the Varsity-Long Island melee slowed up things considerably. We must apologize. Last week we attributed Jean Sexton's new Pontiac to the athletic department. It is Jean's own car, and he showed us the bill of sale and the certificate of title. It took three men to guard Zahn in the Wake Forest game. "Buddy" Rogers, appearing at the Fox this week, was the cause of the first picture of Coach O'Leary and the entire court squad together—AND Rogers.

## Natators Show Skill In Taking Unofficial Meet at Shoreham

Superiority to six strong contestants was shown by George Washington's merman last Saturday night in the men's events in the Shoreham Hotel pool. The Colonials led their closest rival, the Y. M. C. A. of Baltimore, 12 to 10. The Ambassador Club placed third with five points.

Although Captain Rote was the only Buff and Blue swimmer to place first in the four men's events, sufficient strength was mustered to win the meet when G. W. won two second and two third place honors.

Other participants in the "splash" included the Shoreham Club, the Bay Shore Swimming Club, of Baltimore, and a club from Richmond.

Sudden cancellation, by Johns Hopkins, of the Washington-Hopkins tank fray, in Baltimore, last Saturday, permitted the G. W. swimmers to participate in the Shoreham contest. Only two more meets remain on the Colonials' tank schedule. William and Mary will be met next Friday while Duke swims here the following week. Both meets will be held at the Ambassador pool.

## Depression Shrinks College Enrollments

That there is this year an average decrease in enrollment of American colleges of 4.5 per cent and that there is a 3.2 per cent decrease of staff is the gist of a report presented by Dr. E. W. Robbins, head of the department of English, at the monthly meeting of the American Association of University Professors, which was held at the Cameron House, January 11.

The report is based on the annual convention of this association, which was held during December at New Haven, Conn. The report further states that up to the first of October there has been cuts in salaries in 76 of the approximately 500 colleges in the country. Only about two-thirds of the 2,000 Ph. D.'s granted their degrees in June have been placed this year. The committee recommended that more fellowships and assistantships should be offered.

## Delts, T.U.O. Lead Interfrat Bowlers In Opening Games

Sigma Nu's Record 577 Set, With Fletcher's 153 Game, Features Matches

League B—D. T. D. vs. S. P. E.			
K. A. vs. A. C.			
S. M. S. vs. T. D. X.			

The opening matches of the Interfraternity Bowling League were rolled off Saturday night at the Rendezvous Alleys. The Delta Tau Delta and Theta Upsilon Omega pinner established themselves as undisputed leaders in their respective leagues by sweeping all three games from their opponents.

The Delt bowlers, led by Woodward's 331 set, rolled a total pinfall of 1514, while T. U. O. with McGrew's 325 set leading, accumulated a total of 1551, the highest of the evening. Sigma Nu, in defeating Phi Sig, two games to one, established a record set of 577, which was materially aided by Fletcher's score of 153, high game of the evening.

Kappa Sig, defending champions, recovered after a first game loss to S. A. E. and, featuring Hawkins' set of 357, ran out a pinfall of 1548. S. P. E. won its first two games from K. A., only to weaken in the third. Acacia illustrated the oddities of bowling by winning two out of three from S. M. E., although having a much lower pinfall, 1376 to 1416.

The total scores of the matches were surprisingly high, with four teams having pinfall over 1500. High game honors went to Fletcher, S. N., 153; high set, Hawkins, K. S., 357; and total pinfall, T. U. O., 1551.

## Rumors of Varsity Baseball Float In George Washington Athletic Circles

Whisperings and rumors in local papers have given the definite impression that George Washington will be represented on the diamond this year with a varsity baseball team. As yet the athletic department will not confirm this rumor. It will only say that "We may have a baseball team." At the present time definite negotiations are under way to make this possibility a sure thing and within the next week an announcement of the games scheduled, playing facilities, and the general plan for the season may be forthcoming.

The first inkling that any idea of a varsity nine had been thought of or planned leaked out when it was learned that Clark Griffith had been in conference with Coach Pixlee. In this conference, so the leakage goes, possibility of George Washington using Mr. Griffith's palatial stadium for night baseball was discussed. Nothing in the way of a statement was given to the press, but the knowledge of this conference furthered the possibilities.

Another meeting, this between all local colleges with definite plans for the baseball season, which included George Washington, was held. Ostensibly this gathering was for the express purpose of comparing tentative schedule plans and, since most of the local university nines use Griffith Stadium, of avoiding any conflicts.

If this plan goes through and G. W. is represented on the diamond, it will be the first time in eight years that a varsity baseball team has been placed

## Riflers Have First Match; Make Fine Scores Individually

Finished with its first competition of the year, the intercollegiate individual championship, the rifle team now faces its telegraphic match with Western Maryland, which will be shot Saturday. The team, composed chiefly of new men, made a fine showing in the individual championship, while the work of three men—Neal, Brightenburg and Schmidt—was exceptionally noteworthy. These men made scores in excess of 270 and are sure to get percentage medals for their scores.

The 10 men who submitted targets for this match were: Brightenburg, Neal, Schmidt, Cross, Brylawski, Free, Morocco, Fletcher, Landsman and Aud. The schedule so far arranged is: Western Maryland—February 18. Georgetown—February 25. Navy—March 4. Johns Hopkins—March 11.

## Two Changes Made In Football Rules

Two important changes were made in football rules this week following the meeting of the national football rules committee in Philadelphia.

The first change makes the ruling against clipping include any contact with the back of a player not carrying the ball; it is designed to eliminate what has always been one of the greatest dangers in football. The penalty has been changed from 25 yards to 15 yards so that officials will not be reluctant in imposing the penalty at any time.

The second rule establishes a 10-yard zone on each side of the field where dead balls are immediately brought out to the 10-yard line. On out-of-bounds plays the ball will also be put in play on the 10-yard line instead of on the 15 as under the existing rule. This change was adopted to make unnecessary the many useless plays that are called for the sole purpose of having the ball placed nearer the middle of the field.

The meeting of the rules committee will be the signal for coaches everywhere to make plans for spring practice. From unofficial circles The Hatchet learned that no plans have as yet been made for George Washington spring training.

## Colonial Courtmen Down Long Island, Wake Forest Fives

Pixleemen Score Fifth Consecutive Victory With Season's Eleventh Win

Scoring two more victories this week over Wake Forest and Long Island, the Colonials ran their string of consecutive victories to five and their season's total to eleven. The Wake Forest five pushed O'Leary's men hard, but were stopped at 38-28, while the Long Island aggregation fell easy victims, at 58-20.

After the first few minutes of play there was really not much to the Long Island engagement. The visitors fouled 24 times and G. W. cashed in on 18 of their attempts from the charity line which accounted for the early game lead. At the half the Colonials were in the van, 26-9, and continued the rout well into the second half, when the scrubs were freely used. Forrest Burgess totaled 13 points to lead the scorers, while Hertzler netted 10 and Howell eight to follow closely. Barnes led the New Yorkers with six.

Having to contend with stiffer opposition than was expected, the varsity didn't find itself until the second half against Wake Forest, when they gained and held a margin which was turned into a 38-28 victory.

**Tied at Half**  
Although Burgess scored a basket on the first play of the game to give it a two-point lead, the team trailed during most of the first half, scoring but three field goals. However, eight successful foul shots brought the count to 14 all at the half-time whistle.

After Wake Forest took a short lead in the second half, the quint began to click, and soon tied and then overtook the visitors. Captain Zahn was a star of this assault, dropping floor shots when most needed, coming up with the ball in his usual style, and making a perfect record for foul shots, 5 out of 5.

## Freshmen Overcome Teachers, Emerson

The frosh emerged victors this week from two exceptionally close games, downing Wilson Teachers, 22-21, Thursday, and Emerson, 26-23, Saturday, in both contests coming from behind to win.

Emerson furnished the frosh the toughest kind of opposition, running the game into two overtime periods before succumbing. Alfaro clinched the issue decisively in the second overtime period, sinking a foul and a two-pointer to give a 3-point margin while his mates held the enemy scoreless. In the first overtime each side scored a field goal, which necessitated another five minutes.

Troup and Leemans led the scoring for the frosh with six apiece, while Scanlon of the visitors was high for the game with nine.

The game with the Teachers was another hard-fought contest which required an up-hill battle on the part of Walsh's men. Half-score was 12-10 against them, but they gained the lead and held it precariously until the final whistle.

## V. P. I., St. John's, Loyola Quints Meet Varsity This Week

The final big week in varsity basketball competition finds George Washington meeting three opponents, V. P. I., Loyola, and St. John's of Annapolis. Tonight in Blacksburg, Va., the Gobblers of Virginia Tech are hosts to the Colonials in the latter's first venture away from home in nearly a month. The Virginians have experienced an up-and-down season, scoring triumphs over Washington & Lee and Davidson, while losing to Virginia, Duke, and North Carolina State.

Loyola of Baltimore comes here to play the Colonials in the second meeting of these teams this year. In Baltimore on January 14 G. W. won handily, scoring a 55-41 victory. At this time Wick Parrack neared the individual scoring record with 29 points, which upset the Marylanders considerably.

McCartee, Tech. High product, will lead the St. John's of Annapolis quint here on Saturday night. A return game for the 58-52 defeat handed the Johnnies in their home lair on January 11, it is improbable that any radically different score will result.

If the Colonials win all of their remaining games, which in addition to the above includes City College of New York and University of Delaware, they will hang up a record of 16 victories and 4 defeats. A victory against V. P. I. tonight will give Coach O'Leary his twelfth successive win and will break the record of last year, which was equaled last Friday.

Forest Burgess, who will be out of the line-up tonight because of the Southern Conference transfer ruling, will be replaced by Bill Noonan, but O'Leary expects tonight's game to be a first class barometer by which to predict the caliber of next week's New York charity tournament performance.

## After College WHAT?

## Aviation?

E. E. Wyman, Assistant to the President, Pan-American Airways System, says: "Aviation is sympathetic to the college graduates who has prepared himself. It demands, however, serious and thorough preparation: technical training, a natural aptitude for constant study of problems and conditions, and a natural enthusiasm for the tasks it develops."

AVIATION requires a steady hand for the pilot, a steady mind for the executive. And a good tobacco... like Edgeworth Smoking Tobacco... is mighty helpful in giving a man a steady hand, or a steady mind.

Only in Edgeworth will you find that indefinable distinctiveness that is brought about by a special blending of fine old burleys. That's why leading colleges have chosen it as their favorite tobacco.

Want to try before you buy? Just drop a line to Larus & Bro. Co., 105 S. 22d St., Richmond, Va., for your free sample pack. You'll enjoy that cooling smoke that is so different.

A recent investigation showed Edgeworth the favorite smoke at 42 out of 141 leading colleges.

## EDGEWORTH SMOKING TOBACCO

Buy Edgeworth anywhere in two forms—Edgeworth Ready-Rubbed and Edgeworth Plug Slice. All sizes—15¢ pocket package to pound humidortin. Some sizes in vacuum sealed tins.

## CHERRY TREE PICTURES

Saturday, February 18, will be absolutely the last day that a picture may be made for the 1933 Cherry Tree.

Avoid the last minute rush, have your picture made at the earliest possible moment.

# SOCIETY

**Radio, Bridge, Goat, Splash, Cootie, Tea, Rush, and Miscellaneous Parties**  
**Feature Busy Week; Dances Planned**

## Phi Sigma Sigma Parodies "Of Thee I Sing" for Benefit of Pledges

Valentine's Day furnishes an excellent excuse for a varied and sundry assortment of parties—formal dances and informal radio parties, not to mention individual parties.

### Radio Parties Entertain Students Over Week End

Kappa Sigma entertained its members and their friends at an informal radio party Saturday, February 11, following the Interfraternity bowling matches.

Delta Tau Delta is planning to give one of its popular parties Saturday, February 18, after the St. John's-George Washington basketball game.

Phi Sigma Kappa is planning a radio party at the house next Saturday night, February 18.

Pi Beta Phi's Mother Club held a meeting in the rooms, Thursday, February 9.

Delta Zeta gave a bridge party Monday evening in its rooms.

### Phi Sigma Sigma Actives Present Show to Pledges

"Of Thee I Sing" was parodied by Phi Sigma Sigma's actives in a show presented to their pledges last Monday night, following a dinner in the sorority rooms. In a take-off on the Senate impeachment trial in the recent stage hit, charges were brought against the pledges. The entertainment was the actives' reply to the show given for them by the pledges a week ago.

The usual slams were handed the Phi Mu actives at the "Goat Show" given by their pledges February 6. The entertainment, which is an annual affair and a prerequisite to initiation, was held in the sorority rooms.

A party consisting of Christine Spigul, Russ Coombes, and Mr. and Mrs. Matthew O'Brien attended Wardman Park Hotel last Saturday night.

Virginia Hawkins and Hilda James' party Saturday night, February 11, at

Mrs. Conger's home, was hailed a great success by Maude Hudson, Jane Meneffe, Ruth McNary, Margaret McReynolds, Josephine Rayson, Bill Dismar, Wally Schutt, John Everett, Win Weitzel, Earl Kniebely, Barney Conger, and Norment Hawkins.

The alumni of Sigma Alpha Epsilon held a smoker on Thursday, February 9, at the chapter house.

Nancy Davis, Phi Mu transfer from the University of Arkansas, was a guest at dinner in the sorority rooms Monday, February 6.

### Zeta Tau Alpha Plans Subscription Dance February 17

Zeta Tau Alpha is giving a subscription dance Friday night in Corcoran Hall, 10-1, with Bernie Jarboe's Nite Hawks furnishing the music. Louise Munroe, social chairman, is in charge of the dance.

Irene Beasley, prominent radio singer, was a dinner guest at the Sigma Chi house last Wednesday night. Miss Beasley was making a personal appearance at a local theatre.

The W. A. A. gave a benefit bridge party at the Ten O'Clock Club on Wednesday, February 8.

Alpha Delta Pi announces the installation of Beta Nu chapter at the University of Georgia, Athens, Ga., on Saturday, February 11.

Tau chapter of Alpha Mu Sigma enjoyed a unique type of entertainment in the form of a "Splash Party" at the Ambassador Pool February 12.

Olivia Nixon spent her mid-semester vacation in Atlantic City.

### Hour Glass Initiates Prominent Women

Hour Glass announces the initiation of Edith Grosvenor, Evelyn Iverson, Evelyn Kerr, Dorothy Niess, Catherine Prichard, and Betty Reynolds. Initiation was held in the Alpha Delta Pi rooms February 9.

Tau Alpha Omega announces the formal initiation of David Amato.

The Friars announce the formal initiation of Thomas Jones of Maryland and Roy Upton of Iowa. A dinner in honor of the new initiates was given at the Chalfonte on February 8.

Delta Zeta announces the informal pledging of Marian Wormser February 7.

Sigma Alpha Epsilon announces the pledging of Roland Langlois of Idaho.

A cootie party at the home of Helen Lyon, in Takoma Park, was enjoyed by the Delta Zetas and friends Saturday afternoon.

Anna Lou Harrison, Jane Norford, and Nancy Jennings spent the week end at the University of Virginia, where they attended the mid-winter dances.

### Alpha Delta Pi Entertains National President

Mrs. Joseph B. Hubbard, national president of Alpha Delta Pi, was a guest of the local chapter last Tuesday. A luncheon at which Mrs. Vinnie G. Barrows was a guest, and a tea to which the officers of the sororities on the campus were invited, were given in her honor.

Food, a fire, and fine representation of fraternity men were the materials from which Kappa Delta constructed a most varied and entertaining rush party at the sorority house last Tuesday evening.

Zeta Tau Alpha entertained at a luncheon on Friday afternoon in honor of Evelyn Scott, who left Monday afternoon for San Antonio, Texas, where she is to make her home.

Wilbur Langtry entertained the pledges of Sigma Chi with an informal dance held at his home last Saturday night.

Sigma Kappa is giving a benefit

## Women of Mid-Term Class to Attend Tea

Women of the graduating class of February, 1933, are invited to attend a tea to be given by Mrs. Vinnie Barrows at Lambie House on February 15, from 4:30 to 6:30 p. m.

Mrs. Cloyd Heck Marvin and Mrs. Joshua Evans, Jr., will pour, assisted by Edith Brookhart, Mary Geiser, Mrs. Mary M. Ross, Mrs. Mildred Percy and Elizabeth Reese.

## Rifle Team Begins Intercollegiate Test

### Match Consists of Three Stages and Decides Highest Scoring Team

The George Washington women's rifle team has started in the competition for the national intercollegiate team championship. This contest, which began last Saturday, consists of three stages, one stage being shot each week. Each woman on the team shoots two targets to a stage.

The match now being shot decides the highest scoring team. A contest previously held, the individual intercollegiate championship match, determined the highest individual scorer in the leading college teams. Results from these two competitions will not be known until a later date.

The results of the first stage of the present contest are:

Evelyn Kerr	198
Naomi Myers	197
Josephine Rayson	197
Ruth White	197
Virginia Lee Dillman	196

Two possibles, the perfect score or 100, were made by Ruth White and Evelyn Kerr.

The George Washington University held the National intercollegiate team championship for four consecutive years, but last year had to yield the honor to Maryland University.

### Gallaudet College Dean, Students Guests of Club

Elizabeth Peet, dean of Gallaudet College, and six of her students were the guests of Mrs. Vinnie Barrows, who was hostess at a party given in honor of the Drama Appreciation Club in Lambie House, Saturday, February 4.

bridge party at Tilden Gardens Friday, February 17.

### Minerva Club Plans Subscription Dance

The Minerva Club, the mothers club of S. A. E., is planning a subscription dance to be given Tuesday, February 21, at the chapter house. Howard Tetter's Orchestra will furnish the music.

### Panhel Script Dance Goes Over

Braving February snow and ice to dance to the tunes of Emory Dougherty's music, a hundred or more people attended the annual Panhellenic subscription dance on Friday, February 10, and the receipts from this dance insure the procurement of a well-known band for the Panhellenic Prom. Absence of stars did not seem to detract from the enjoyment of those present.

Miss Anna Pearl Cooper and Professor and Mrs. Dudley Wilson Willard were chaperons and were constantly surrounded by students.

### Kappa Delta Entertains Chapter Inspector

Kappa Delta entertained its visiting chapter inspector, Miss Bessie Fagin, at a tea given at Kendall Green February 10. The hostess was Mrs. Marjorie Black Hall, editor of "Angelos," the national Kappa Delta quarterly. Members of the University faculty, chaperons, and members of campus sororities and fraternities, were entertained at a tea Sunday, February 12, in honor of Miss Fagin and the chapter's new pledges.

The neophytes, Violet Goble, Margaret Strong, Edna Kimberly, Catherine Bour, Estelle Tinny, and Julia Neff, were formally pledged on Sunday afternoon.

Kappa Delta plans a dance at the house on Wednesday, February 15, from 10 to 1, in honor of their new pledges. The Maryland Collegians will furnish the melodies and Esther Talley will worry over the arrangements.

### Sigma Nu Plans Valentine Dance

Delta Pi chapter of Sigma Nu plans a Valentine dance Saturday, February 18, with music by Dagmoir. An immense heart, with the names of the campus sororities bordering it, will be hung in the hall. The affair, with Reginald V. Malkus and Gilbert Linville in charge, has as chaperons Robert Stearns, former president of the chapter, his wife, and Mrs. Cox, house mother.

### Art Club Has Birthday

The Art Appreciation Club celebrated its first anniversary with a party held at the home of Harriet Garrels, 1615 Kenyon street northwest on February 8. The guest speaker was Mrs. Schars, who spoke on "Interior Decorating," which subject she teaches at the local Y. W. C. A.

The club was entertained at tea, January 28, at the Cane Studio, 1729 G street. The program featured a dancing exhibition.

Alpha Epsilon Phi announces the pledging of Claire Agins, Helen Korman, and Adele Sisco on Wednesday, February 8.

## Bursar to Furnish Tickets to Students For Inaugural Ball

Tickets Are \$5; May Be Purchased Daily From 9 a. m. to 6 p. m.

On the evening of March 4, following Franklin D. Roosevelt's inauguration into office, the notables of the Capitol will meet in Washington Auditorium for their final reception, the inaugural ball.

For the benefit of those University students who wish to attend the ball, the inaugural committee has placed tickets on sale in the Bursar's office, Building F. Tickets are \$5 each and may be purchased daily from 9 a. m. to 6 p. m.

A concert at 8:30 p. m. with Rosa Ponselle of the Metropolitan Opera Company as the star, will begin the inaugural ball. Other artists appearing on the program will be an Indian Reservation Band, with 18 tribesmen in full regalia, an harmonica band of 80 pieces, and an harp ensemble of 8 harps.

At 10 p. m. the distinguished visitors committee will greet governors from various States. Members of the committee include: President Cloyd Heck Marvin, and Julius Garfinckel, Gilbert Grosvenor and the Honorable John Barton Payne, of the board of trustees. Dancing will follow the reception of distinguished visitors. A well-known orchestra has been procured to play until an indefinite hour.

## Did You See?

—Virginia Hawkins at a Gamma Eta Zeta meeting in a self-designed and self-made green velvet sports dress with a shiny green buckle. To set off her titanic hair—a pert little hat of the same material. Black accessories completed the ensemble.

—Betty Bacon in the Cherry Tree office most attractive in a silver gray satin dress with a black dull crepe jacket with a cape collar, and black shoes and hat.

—Marion Zeigler dancing at the Panhellenic scrip dance in a smartly tailored beige crepe with brown pumps.

—Ruth Warren presiding at Panhellenic meeting in a gray corduroy two-piece suit with a vari-colored woolen scarf. Her gray felt hat was banded with roman striped grograin ribbon.

—Jane Caskey observing the bowling matches in a tricky brown sports coat high-collared and cross-buttoned, with flat-heeled sports shoes and a small-brimmed brown hat.

—Betty Coon at The Hatchet office in a Sunday night dress of robin's egg blue velvet and black flat crepe made with a cowl neck and short puffed sleeves. Blue earrings and black dress pumps completed the outfit.

—And as this goes to press Catherine Prichard at the editor's desk in a dark gray flat-crepe dress with modified leg-of-mutton sleeves trimmed with jewelled clips.

Yours in fashion,

DILLE.

### Registration for Life-Saving Class Still Open to Women

The life saving course, offered by the Physical Education Department for Women as a special feature in connection with swimming, is still open for registration. The class meets weekly, on Thursdays, from 6:30 to 7:15 p. m., at the K Street Y. W. C. A.

## Students Take Part In Arts Club Frolic

Among the dancers in the Bal Boheme, annual ball of the Arts Club, were several George Washington students. Betty Elfelt, Elizabeth Middlemas, and Amalie Preische, directed by Lois Balcom, danced a number representing the Ten O'Clock Club, "The Passing Hours."

Betty Elfelt and Amalie Preische also danced for the Denishawn Dancers in a group titled, "In Rainbow Land," directed by Marian Chase and Lester Shafer. Theodore Tiller took the part of the west wind in the main pageant, "Castles in the Air."

## Bowling Tournament Reaches Second Set

### Women's Intramural Bowlers Complete Five Matches; Phelps High Scorer

First round matches of the Women's Intramural Bowling Tournament were successfully run off Tuesday and Thursday of last week. Second round matches will be finished by the end of the current week.

Last week's contest gave the following results: Phi Sigma Sigma, 162, Pi Beta Phi, 158; Kappa Delta, 199, Phi Mu, 171; Sigma Kappa, 205, Alpha Epsilon Phi, 171; Chi Omega, 200, Kappa Kappa Gamma, 194; Zeta Tau Alpha, 211, Alpha Delta Theta, 211.

To Kitty Phelps of the Zeta Tau Alpha team goes the honor of rolling 93, the highest score so far in the matches.

Games this week will be rolled Thursday at 7:30 p. m. at the K Street Y. W. C. A. At this time the following matches will be rolled: Phi Sigma Sigma vs. Kappa Delta; Sigma Kappa vs. Kappa Kappa Gamma; Chi Omega vs. Alpha Epsilon Phi; and Alpha Delta Pi vs. Zeta Tau Alpha.

Edith Spaulding, manager of the tournament, must be consulted in case of default or questions concerning the schedule. The deadline for default notification is 4 p. m. game day.

### Successful Benefit Bridge

#### Given by Women Athletes

The benefit bridge given by the Women's Athletic Association at the Ten O'Clock Club February 7 was well attended and a success both financially and socially.

Mr. Frederick Feiker drew the lucky numbers for the door prizes. Miss Ruth Aubeck won first prize, which was a necklace donated by Garfinckel's. Other prizes were a cigarette case and a tin of cigarettes.

Gretchen Feiker was in charge of the bridge, with Annabelle McCullough, Isabelle Elms, Florence Hedges and Virginia Dennis assisting.

### Women's Sports Calendar

The following events of interest to sportswomen are scheduled for the current week:

Tuesday, February 14, 7:30 p. m.—Old church on H street. Interclass volleyball ball. Freshman vs. Sophomore; Junior vs. Senior.

Wednesday, February 15, 7:30 p. m.—Gymnasium. Interclass basketball. Freshman vs. Sophomore; Junior vs. Senior.

Thursday, February 16, 7:30 p. m.—K Street Y. W. C. A. Intramural bowling. Chi Omega vs. Alpha Epsilon Phi; Kappa Kappa Gamma vs. Sigma Kappa; Alpha Delta Pi vs. Zeta Tau Alpha; Phi Delta vs. Alpha Delta Theta.

## Local Teams Win Over Women From Goucher Saturday

### American, George Washington Win Seven of Eight Basketball Games

Results of the triangular basket ball Sports Day last Saturday, at which George Washington University was hostess to Goucher College and American University, showed the local teams victors by virtue of winning seven out of eight half-games played. The events were run off at the McKinley High School gymnasium starting at 2:30 o'clock.

Each school entered class teams in the contests, which were played on two floors. Each team played the corresponding team from the other groups in periods half the length of the regular game. The results were as follows: Goucher seniors, 7; American seniors, 3; G. W. seniors, 10; American seniors, 6; G. W. seniors, 10; Goucher seniors, 9; G. W. juniors, 20 Goucher juniors, 3; G. W. sophomores, 25 Goucher sophomores, 12; American freshmen, 8; Goucher freshmen, 28; G. W. freshmen, 30; American freshmen, 6; G. W. freshmen, 7; Goucher freshmen 22. This tabulation shows a total of 102 points for George Washington against 81 for Goucher and 23 for American. American University entered four.

### Dinner Served After Games

At the close of the games, dinner was served to the players, faculty members, guests, and hostesses in the faculty room. Following this, entertainment, consisting of various skits, was presented by a group of G. W. women. Hood College, originally invited to participate in the Sports Day, was at the last minute unable to be present. American University consented to take part in the events to fill the vacancy.

## Authorized Events

The following social functions have been authorized for the coming week by the calendar committee of the Student Council:

Wednesday, February 15  
Phi Delta card party.  
Kappa Delta House dance.

Friday, February 17  
Zeta Tau Alpha script dance in Corcoran Hall.  
Sigma Kappa benefit bridge at Tilden Gardens.

Saturday, February 18  
Kappa Alpha House dance.  
Phi Sigma Kappa radio dance at the house.  
Sigma Nu House dance.  
Sigma Phi Epsilon House dance.

Tuesday, February 21  
Theta Upsilon Omega dance at house.  
Sigma Alpha Epsilon dance at house.  
Phi Sigma Sigma dance at Rosdhu Castle.

## Student Council Begins Searching Probe of Activities

Public Hearings to Continue Tomorrow, Thursday, of This Week

(Continued from page 1)  
ry Tree and Hatchet were heard. McCoy Lauds Yearbook System. Ralph McCoy, editor of the Cherry Tree, expressed satisfaction with the present method of producing the Cherry Tree. He said that he would, however, favor making the Editor of the Cherry Tree a member of the Publications board. He declared that the present method of selecting the sub-editors and other members of the staff was absolutely impartial and as meritorious as any system could be.

G. Manley Fesler, editor, and Walter Rhinehart and John Madigan, associate editors, representing The Hatchet, expressed complete satisfaction with the present method of selecting the Board of Editors and sub-editors of the paper, saying that advancement was made on merit only and that it would be impossible for any "group" to get control of The Hatchet.

Hatchet Editors Prefer Faculty. When members of the Council questioned the advisability of the present preponderance of faculty members on the Publications Board, The Hatchet editors were enthusiastic in their endorsement of the present plan, maintaining that a board composed of more students and less faculty members would prove detrimental rather than helpful. They also vigorously opposed giving the Student Council right of approval or veto of The Hatchet editor or board of editors. They also opposed making the editor of The Hatchet a member of the Student Council.

A proposal advanced by the Council for a general award system whereby students who served the University in extra-curricular activities would be rewarded, was supported by Editor Fesler, but opposed, so far as The Hatchet was concerned, by Associate Editors Madigan and Rhinehart.

Publication of social functions approved by the Council was advocated by The Hatchet editors and approved by the Council.

Publicity for Council Proceedings. The editors of The Hatchet maintained that a Hatchet reporter should attend all Council meetings and that complete proceedings of the Council should be published. This proposal was vigorously opposed by several members of the Council, who contended that the Council should decide on the publicity of its activities.

## Joe College Presents Debt Problems That Dwarf War Debts

International problems have their place even in the college student's life, and such awe-inspiring terms as moratoriums find application in any young man's affairs. Debt negotiations among the leading nations loom no more important on the politician's horizon than do the comparatively miniature negotiations of the "struggling" student on his own skyline.

We offer the following correspondence between Joe College and the University to compete with the diplomatic epistles so plentiful among powerful nations today.

THE GEORGE WASHINGTON UNIVERSITY  
Washington, D. C.,  
November 15, 1932.

Joe College  
Rho Damm Rho House.  
Fees, Third Installment—Due December 1, 1932.

This bill must be paid on or before December 16, 1932.

CHARLES W. HOLMES,  
Comptroller.  
Rho Damm Rho House,  
November 24, 1932.

Charles W. Holmes, Comptroller.  
George Washington University.  
I have your bill and while this is a legal obligation, it is economic madness in view of my financial condition, my other obligations and my inability to pay. Let's pass up the question of payment and just get together and talk it over for a few years. Hope you had a pleasant Thanksgiving.

JOE COLLEGE.  
THE GEORGE WASHINGTON UNIVERSITY  
Washington, D. C.,  
Dec. 5, 1932.

Joe College.  
R. D. R. House.  
Students whose fees are not paid on or before December 16, 1932, will be suspended.

CHARLES W. HOLMES,  
Comptroller.  
R. D. R. House,  
December 12, 1932.

Charles W. Holmes, Comptroller.  
I don't believe you understand my situation. Of course I have some money, but I can't pay this debt without unbalancing my budget. Rumors have come to me that you think I ought to sell my car and pay the tuition. Ownership of the automobile is purely a defensive measure. I am surrounded by men who have designs on me and are trying to take away my most cherished possession, Betty Coed. Unless I have a coupe my sphere of influence is destroyed. Now do you understand? Let's appoint representatives to talk this thing over. How are all the folks?

JOE COLLEGE.  
THE GEORGE WASHINGTON UNIVERSITY  
December 15, 1932.

Joe College.  
Students whose fees are not paid may not attend classes until they have

## Grand Old Game of Battleship Rapidly Returning to Popularity at Food Shop

"Two in the four-boat," "no hits," and "A-5, B-7, J-10," are rapidly becoming familiar phrases in the jargon of Food Shop habitués. It's the new George Washington sensation—Navy or Battleship—which was revived by Ye Olde Editore, Admirhell—C. Manley Fesler.

Battleship or Navy, is truly an exciting game, even to the point of making one cut classes and forget dinner engagements—if one has dinner engagements. Its attraction lies in the ability to place one's "ships" in such positions as to confuse the adversary and in one's ability to discover where the "enemy fleet" lies.

For those uninitiated in this new campus pastime, we may briefly describe the particular variation of the game which is played at the Food Shop.

Each player draws two graphs of ten squares each, on a sheet of paper. The horizontal row is labeled from A to J, and the vertical from 1 to 10. In one graph the player places his ships. There are 2-boats, 3, 4, 5, and 6-boats,

paid all accrued fees, a reinstatement fee of \$5.00, and have been officially reinstated.

CHARLES W. HOLMES,  
Comptroller.  
R. D. R. House,  
December 17, 1932.

Charles W. Holmes, Comptroller:  
Listen! You don't seem to get the idea. I've been figuring very carefully and my present expenses are so high there is just nothing left for my debts. Why, my bill to Gus alone is about a week's pay every month! (If you don't know Gus, I'll send him around sometime. Great fellow—great stuff.) Right now I need a new dress suit and overcoat to keep up appearances. I can't wear that old tuxedo all the time. I

each number denoting the number of squares occupied by that ship. One lays his ships in any direction he may choose, horizontally, vertically, or diagonally, and in any section of one of the graphs. The 2-boats will occupy two squares, the 5-boat, 5 squares, and so on.

Each player is allowed three "shots" per "volley." The first player shooting may select any three squares of his enemy's graph, marking each shot he makes on his blank graph—while the player being shot at marks each square called on the graph with the ships. Each shot of the volley is marked 1, 1, 1, or 2, 2, 2, or 3, 3, 3, according to which volley it is.

If hits are made, the player hit announces it after the volley is completed. Thus, if the fifth volley hits two squares in the 5-boat, he says, "Two shots in the 5-boat,"—and his enemy must then discover which way the 5-boat runs.

When a boat has all its squares filled, it is "sunk." The player sinking all ships first wins.

must have the car as a defensive measure, as I told you before. And Betty Coed, well, you take her out a few times and you'll understand. So, you see, what with fraternity dues, board and room, dance tickets, drama tickets, Troubadour, etc., etc., and Gus, I can't put aside a thing for debts.

I'm sorry to be firm about this matter, but this is all there is to it. I know the University's obligations must be paid, but so must mine. If you won't have a conference, let's just forget all about it. Hope you have a Merry Christmas!

JOE COLLEGE.  
News Item.—Joe has withdrawn from classes at the University to devote his entire time to other activities.

## "Success Based on Material Goods," Says Alabama Prof.

"The chief valuation of success has been based upon the ability to accumulate material goods," C. E. Cason, professor of journalism, University of Alabama, said in an address made at that university recently. "If people felt as reverent in churches as they do in banks, our civilization would be marvelous," Professor Cason continued.

"The unripe mind can measure only in terms of size and numbers. Greater maturity is necessary before one can understand that the realities of life consist of such intangibles as friendship, beauty, integrity, harmony, truth, and understanding. The United States, as its culture develops, will learn these things sooner or later. In fact, an enormous undercurrent has been running in this direction during the painful era through which we are now passing. In the earlier days of American history, the Southern planter represented leadership of the superior individual. Before it was possible for the United States to place authority in the hands of the masses, it was necessary for the North to defeat the South in the War between the States.

"Since the defeat of General Lee at Appomattox, the United States has experimented with the doctrine that one man's intelligence and background were as good as any other man's."

## CLARA CRITCHFIELD ELECTED PANEH HEAD AT SYRACUSE MEETING

(Continued from page 1)  
ficers used by the Panhellenic Associations throughout the country, the George Washington Council will be headed by Miss Critchfield next year. She is now secretary of the council, and an officer in Sigma Kappa, her sorority, and was recently elected to preside over the Speakers' Congress. Miss Linkins is a member of the W. A. A. and has been active in all branches of women's athletics, including the basketball team, swimming team, and soccer team.

## NOTED MEN WILL BE PRESENT AT ANNUAL MED. SOCIETY DINNER

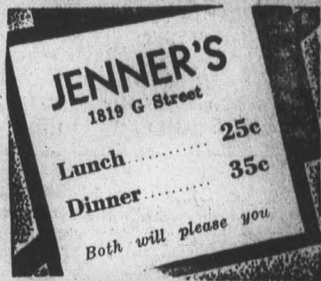

(Continued from page 1)  
fer, president of the Board of Commissioners of the District; Dr. Harry A. Fowler, president of the District Medical Society; Dr. William Kennedy Butler, emeritus professor of ophthalmology; Dr. Stirling Ruffin, emeritus professor of medicine; Dr. D. Kerfoot Shute, emeritus professor of ophthalmology; Dr. Buckner M. Randolph, emeritus professor of clinical medicine.

The committee on arrangements for the banquet includes Dr. Warren W. Sager, chairman; Dr. Frank A. Hornaday, Dr. Arnold McNitt, Dr. Katherine Hoffman, Dr. Benjamin F. Dean, Jr., Dr. Maurice Protas, Dr. Tomas C. Jigas, Dr. Katherine Chapman and Dr. Fred Repetti.

The George Washington University men's glee club will sing.

## Some Ideas on Ideal Courses

At Barnard College students receive credits for taking a course in "Resting." Other unique college courses which actually grant credits are "Personality Development," at New York University; "Geneology," at Southern California, for which the students look up their own family trees; and "Waiting on Table," given at Ohio State.

## STRAYER COLLEGE

Rabbits and Radishes  
Babies and Bouquets  
Carrots and Cabbages  
all from an

EMPTY  
TUB!

### ILLUSION:

Right before your very eyes the man of magic draws rabbits, vegetables, flowers, fruits—even babies—all from an empty tub! What an astonishing fellow he is!

### EXPLANATION:

The assorted rabbits, babies, carrots, cabbages, ribbons and other magical "props" are not created by magic. The tub has a false bottom that is conveniently displaced, and numberless wonderful things spring to life in the magician's nimble fingers. They do literally "spring" because they are made to compress into the bottom of the tub, taking their natural shape as the magician lifts them out.

Source: "Tricks and Illusions" by Will Goldston, E. P. Dutton & Co.

CAMELS

It's FUN TO BE FOOLED  
...IT'S MORE FUN TO KNOW

Tricks are legitimate on the stage but not in business. Here's one that has been used in cigarette advertising...the illusion that blending is everything in a cigarette.

EXPLANATION: Blending is important...but it makes a lot of difference what is blended. Inferior tobaccos can be blended to cover up their humble origin. But your taste soon detects the trick.

The proper use of blending is to bring

out the full "round" flavor of mild, high-grade tobaccos. It's the costliness of the tobaccos, as well as the blending, that counts.

It is a fact, well known by leaf tobacco experts, that Camels are made from finer, MORE EXPENSIVE tobaccos than any other popular brand.

Hundreds of thousands of dollars have been spent by others in the attempt to discover just how Camels are blended. The blend is important.

But all the while Camel spends millions more for choice tobaccos...to insure your enjoyment.

Light up a Camel. Relax, while the delicate blue smoke floats about you. Enjoy to the full the pleasure that comes from costlier tobaccos.

Keep Camels always handy...in the airtight, welded Humidor Pack.

NO TRICKS  
..JUST COSTLIER  
TOBACCOS  
IN A MATCHLESS BLEND

## Boy Scouts Honor Professor Bartsch

G. W. Zoologist Will Receive Silver Beaver Award at Council Meeting

Dr. Paul Bartsch, professor of zoology, will be presented with a silver beaver award by the National Boy Scout Council when the twenty-third annual meeting of the District of Columbia Council of Boy Scouts is held in McKinley High School on Saturday, February 18.

The National Council presents the award for Dr. Bartsch's "distinguished service to boyhood." Since Dr. Bartsch is now in Puerto Rico, heading the Smithsonian Expedition, Lynn C. Drake, scout executive, will act as his proxy. The award and reading of the citation will be made by Captain Chester Wells, president of the District of Columbia Council of Boy Scouts.

Included in the citation is a summary of Dr. Bartsch's activities with the District of Columbia Boy Scouts. He has been recording secretary since 1910. In 1922 he was a member of the executive board; chairman of the Camp Council, 1922-23; chairman of the Council of Honor Committee, 1923 to date; and vice president of the District of Columbia Council.

The citation especially credits Dr. Bartsch for giving impetus to the development of Camp Roosevelt and mentions that Camp Wilson was presented to the Boy Scouts by the late Robert Brookings largely through his efforts.

## Law School Office Becomes Classroom

While colleges and universities throughout the nation lament and bemoan the fact that depression has wrought havoc with their enrollment, the faculty of the Law School is confronted with the problem of finding a sufficient number of available classrooms.

The three-story building on Twentieth street is filled from basement to attic, and, in an endeavor to accommodate all students, it has become necessary to hold a class in the Law School Office. With the countenance of Admiral Stockton gazing tolerantly upon the assembled students, Professor William A. Hunter instructs a class of 25 students in the mysteries of contracts. For atmosphere he has filing cabinets, typewriters, and office desks, with all the usual accessories of a business office.

Stockton Hall has but one extra room which could have been converted into a classroom, the smoking room in the basement. It has served as a patient moot court since the beginning of the year. The class meeting in the cramped confines of the Law School Office assembles each Wednesday and is open to students who have enrolled for the course at the beginning of the second semester.

## College Publications Experience Valuable

"What becomes of the college editor after graduation?" The Daily Northwestern undertook to answer this question and discovered that publications have more than just current use. Dr. Ward Evans, chairman of the board of student publications, made the survey. A questionnaire was sent to 80 graduates who were formerly connected with college publications. From these 46 answers were received, making a fairly significant percentage of returns.

The occupations of the above varied from general business to radio work. The professions were also represented with two practicing physicians, four attorneys, and four teachers. There were also two Ph. D.'s and from the group there has come two books on political theory and two successful novels.

Experience in publications, Dr. Evans found, gives a working knowledge of business methods and publicity. Such experience is good in listing qualifications for a position.

## New Contest Planned By Menorah Society

Details of a new forensic contest will be announced at the February 15 meeting of the Menorah Society to be held in Corcoran Hall at 8:30 p. m. The speaker of that evening will be Isidore Herahfield, prominent Washington attorney and communal worker.

"Rabbi Isaac Elchanan," an outstanding rabbi of nineteenth century Europe, is the subject around whom Mr. Herahfield will weave his talk. Using his case method of history, the speaker will regard Rabbi Elchanan as a representative of his age and of the culture of his age and will discuss him in that light.

Besides the contest, announcement will also be made of a proposed new working basis for the society.

## Indiana Students Pay Rent To Use Jig-Saw Puzzles

This new craze for jig-saw puzzles seems to have hit the students of Ball State Teachers' College, Muncie, Ind., rather hard. There is an advertisement inserted in the "Easterner," the publication of that college, by a business man desiring to rent out puzzles for a nominal fee. Perhaps it would pay some enterprising spirit around here to do the same thing.

## 'Ah! For Ye Olde Oxford Exam,' Says Weary Student Facing American Quizz

British Collegian Finds It Expedient to Ask Neighbor Who Knows, if He Can't Answer Questions; Yankees Trust Their Memories

The following description of an Oxford examination reaches us at second or third hand:

"First we all light our pipes and sit around awhile discussing the subject. Then we start to write and if we get stuck, we can always ask our neighbor. That is what is expected. You can't write a paper unless you know the subject."

Particularly this last statement is striking in its international applicability. Both American and British educational institutions seem to start with the notion that you can't pass an exam if you don't know the answers to the questions. Quite reasonable. But the approach to the question of our cousins across the sea seems the most logical. What could be more obvious, if a student happens not to know the answers to the questions on an examination, than to tell him? This our British friends see most clearly.

But in barbarous America, such is not, unfortunately, the case. Professors, to say nothing of telling students answers, go to considerable lengths in

hiding them and even discourage free and open discussion of answers among students during an examination. And as for copying the answers out of a textbook (and what could be more logical than adopting the views of a recognized authority on the subject), instructors, that is, American instructors, have even gone so far as to denounce this almost universal practice as approaching dishonesty.

What is sadly needed in the American higher educational system is evidently a few importations from England, and the writer feels that in this recommendation he has the majority of American college and university students behind him.

Behind him? Behind him, h—! They're claiming it was their own idea in the first place.

Depression Postpones Conventions National conventions have been postponed, on account of the depression, by Tau Kappa Epsilon, Alpha Tau Omega, Phi Kappa, Alpha Gamma Rho, Phi Kappa Sigma, Zeta Tau Alpha, Sigma Phi Sigma and Delta Zeta.

## Cherry Tree Subscription Blank

Publications Office,  
The George Washington University,  
Washington, D. C.

I am enclosing herewith four dollars (\$4.00) for which kindly reserve a copy of the 1933 Cherry Tree for me. It is understood that I will receive a form immediately entitling me to my copy when issued.

Name .....  
Address .....

## Nipponese Students Speak Here Tonight

Student Body Invited to Meeting; Japanese Are on Goodwill Tour

Fred Stevens, president of the International Students' Society, has issued an open invitation to the student body to attend this evening's meeting in Corcoran Hall 27. Three Japanese students, who are making a good-will tour, sponsored by the Japanese government, will address the society.

The students, near the completion of their tour, have spoken before many of the leading universities and civic organizations throughout the country. During their five-day stay here in Washington, they will be the guests of the Japanese Embassy.

## Mischa Levitzki, Celebrated Pianist, on Concert Program

The National Symphony Orchestra concert on Sunday afternoon, February 13, at Constitution Hall, will mark the appearance of Mischa Levitzki, celebrated pianist. He will play the Saint Saens Concerto in G Minor on the following program:

Overture "Rosamunde".....Schubert  
Concerto No. 2 in G Minor.....St. Saens  
"Siegfried Idyll".....Wagner  
Entrance of the Little Fauns.....Pierne  
Artists' Life.....Johann Strauss  
Although still in his early thirties, Levitzki has been known to American and European audiences for many years, and his name has become synonymous with absolute perfection in piano playing.

Mischa Elman, one of the greatest violinists of all time, will be presented with the National Symphony on Thursday, March 2, at 4:45 p. m.

Both concerts are popularly priced. Tickets may be obtained at Julius Garfinckel and Co., Fourteenth and F streets.

## Buchanan to Speak Before Liberal Club

"Far East as a Menace to World Peace," will be the topic of the address of Daniel H. Buchanan, associate professor of economics, as he leads a "Conference Against War," sponsored by the Liberal Club, on Thursday, February 23, in Corcoran 10, at 8 o'clock.

J. J. Matthews, executive secretary of the Fellowship of Reconciliation, will speak on "The Way to Peace." Paul Harris, Jr., member of the National Council for the Prevention of War and third speaker on the program, has chosen "The Death Racket" as his topic.

All students are invited to participate in the conference, which is to be strictly a University affair.

## Philippine Club Favors Independence

"Resolved: That the Philippines Should Have Immediate Independence," is the question to be debated by the Philippine Club and the Speakers' Congress on Wednesday, February 15, at 8 p. m. in W-10. The Philippines will be represented by Diosdado M. Yap and C. Icaragay, who will take the affirmative, opposing Edward Northrop and Bourke Floyd of the Speakers' Congress.

The judges will be: James G. Wingo, Washington correspondent of the Philippine Free Press, C. Manley Fesler and Ralph McCoy.

There will be an open forum after the debate in which anyone interested may take part.

## High-Brow Racketeers

A front page article in a recent issue of The Easterner, at Ball State Teacher's College, Indiana, warned students against various rackets known to be prevalent on the campus—the selling of convocation tickets at high prices, selling of fictitious subscriptions to the year book, and charging toll for driving on the college driveways.

Gothamites Get Particular The students at Columbia University are conducting a campaign for better usage of faculty members. They are compiling a list of the grammatical errors made by the teachers.

## CIRCLE THEATRE

2105 PENNA. AVE.

## "Home of the Mirror Screen"

TUES.—"MADAME BUTTERFLY." Sylvia Sydney in a tale loved by millions.

WED.—"HE LEARNED ABOUT WOMEN." A gay, fast, comedy-romance with Stuart Erwin.

THURS.—& FRI.—"STRANGE INTERLUDE." Eugene O'Neill's amazing prize drama. With Norma Shearer and Clark Gable.

SAT.—"SPEED DEMON." Wm. Collier, Jr.

SUN.—& MON.—"EVENING FOR SALE." A gorgeous love story with Herb Marshall.

# Tobacco to smoke right

has to be a different kind of tobacco from that used in cigarettes...and it has to be made by an entirely different process...

OUT in Kentucky, where they have pretty women, fast horses, and blue grass, there grows a tobacco called White Burley. It doesn't grow anywhere else in the world.

There is a type of this White Burley that is best suited for pipe smoking. It is neither too thick nor too thin. It is not light and chaffy; at the same time, it is not rank or strong. "U. S. Type 31" is the government classification for White Burley.

Since no other pipe tobacco has yet been found which seems to equal White Burley, this is what we use in making Granger Rough Cut.

Next, we use the Wellman Method, a famous 1870 method of making pipe tobacco, to give Granger its fine flavor and fragrance. Then, too, Granger is "Rough Cut"—just like they used to "whittle" their tobacco off a plug with a jack-knife. It smokes cool, lasts longer and never gums a pipe.

And finally, we want to sell Granger for 10 cents. Good tobacco—right process—cut right. So we put Granger in a sensible soft foil pouch instead of an expensive package, knowing that a man can't smoke the package.

Granger has not been on sale very long, but it has grown to be a popular smoke. Folks seem to like it.

Liggett & Myers Tobacco Co.

The Granger pouch keeps the tobacco fresh
